**NEWSLETTER - Volume III, Issue 31**

**Date: October 08, 2009**

**MORNING WORSHIP - OCTOBER 4:** Pastor Andreanopoulos' message was taken from the text Genesis 11. Why God was so upset with the tower of Babel and city being built. Why God is displeased with each of us for the same reason. Continue to pray for the praise team as they lead in worship each Sunday, and most of all, pray for "self" preparation for worship. Worship is not what God or others do for you but what we come to give to God. In worship, God is honored for who He is and what He has done, the worshipper is strengthened in mind and spirit, and those around us are encouraged and challenged. See you next Sunday in worship at 10:30 a.m. for our HOMECOMING CELEBRATION!

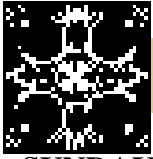

**OLD UNION REGULAR SCHEDULED QUARTERLY BUSINESS MEETING:** Last Sunday, October 4, the regular church business meeting was held in the fellowship hall. Those in attendance enjoyed a fellowship dinner before the meeting. It is not often churches can talk about a business meeting and a worship service as being the same meeting but that was what was experienced. The group truly was giving praise for what God is doing in our congregation. The group expressed how quickly and smoothly two congregations were brought together and how the expected hurdles are being worked out. It was reported that during this same time Old Union has received approximately \$120,000.00 from the Donald Hines estate and Graham estate. From great wisdom the group was reminded that this is not an excuse to stop our regular giving ... because the ongoing work of God's church is provide though our weekly tithes and offerings. It was agreed that since we encourage our church families to support the local work through tithing ...that our congregation should tithe (10%) of these special gifts to one or more other ministries. We need to be in prayer for God's direction in this matter.
