WORSHIP LAST SUNDAY: October 11th was a great HOMECOMING SUNDAY. It is hard to believe that so many former pastors and members now live in Ohio, Kentucky, Illinois, Michigan, and even farther states. It was great to see so many come together for this occasion and to share testimonies how God is working in their lives. Our church moderator, Rick Neal, introduced the newest members to the congregation. Welcome to all the new members to the Old Union Church family and we look forward to sharing the ministry together. It was good to see the sanctuary full and that made the singing and worship even more special. See you all next Sunday!

SPECIAL THANKS TO SENIOR SUNDAY SCHOOL CLASS: Thank you for planning the HOMECOMING, for contacting former members and pastors, and for overseeing the activities. Ruby Dale and John L. Davidson gave a lot of leadership to bring this year's celebration together. Hearing the "LIGHTHOUSE ON THE PRAIRIE SINGERS" brought back wonderful memories and former pastor Raymond Duff shared how 70 years ago he preached his first sermon as a new pastor at Old Union Church. Rev. Jerry Rothauser also shared how Old Union Church provided his entry into the pastoral ministry. It was good to have the families of both ministers in the service.

RENEWAL 2009 SERVICES OCTOBER 18 - 21: Dr. Jim Cook will sharing five (5) powerful messages that will change life for you and your guests. These messages will reveal truths that when applied to your life will make a difference in your family relationships, your success in the job market, your effectiveness in daily living, stability in your mental health, and show how your spiritual part of you can also come alive. These truths have been a mystery for many, not because they have been hidden, but because they have not been studied and applied. The music will be provided by the Old Union Praise Team, with additional special music from Machelle Young, "By Grace" gospel singers, Kristina Osborn, and more. If you *fail* to **plan to attend** then you will miss most of the services. Please make these five services a priority in your life and the lives of those you plan to bring with you each service! BEGIN PRAYING NOW FOR THE SERVICES!
